

In Loving Memory of Kate Gaddy

***November 3,
1984***

***February 6,
2000***

A freshman at East Lincoln High School, Kate died as a result of injuries sustained in a car accident. Kate was a jv cheerleader, was second in her class the first semester of her freshman year, had danced for 13 years, and was the co-captain of the Carolina Cats All-Star Cheerleading team which won the national championship in March 1999. Kate truly lived life to the fullest.

Her smile, her many talents, her love of family and friends, her faith in God and even her teenage attitude-these things will live in our hearts.

WE LOVE AND MISS YOU KATE
